
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Council without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

**Act No. 65 (S.30). Conservation and land development; air pollution;
hydrofluorocarbons**

An act relating to the regulation of hydrofluorocarbons

This act establishes a schedule for when certain products must be manufactured without hydrofluorocarbons. It also requires the Agency of Natural Resources to conduct rulemaking and report back to the General Assembly on any delay in the rulemaking.

Effective Date: July 1, 2019
